Stewardship Prayer

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am friendly. It will be holy, if I am. Its pews will be filled, if I help fill them. It will do great work, if I work. It will be prayerful, if I pray. It will make generous gifts to many causes, if I am a generous giver. It will bring others into worship, if I invite and bring them in. It will be a place of loyalty and love, of fearlessness and faith, of compassion, charity, and mercy, if I, who makes it what it is, am filled with these same things. Therefore, with the help of God, I now dedicate myself to the task of being all the things that I want my parish to be.

STEWARDSHIP

"For the Son of Man did not come to be served, but to serve and to give his life as a ransom for many." MARK 10:45

If you held a mirror up to your life, would it reflect God's love and mercy? If you are struggling with this, try changing your attitude from "I want more" to "thank you God for everything you have given me, I have enough to share". This change in perspective will bring you joy through service to others.

STEWARDSHIP CAMPAIGN: "PROVIDENTIAL CARE AND ENDURING LOVE"

These words are taken from our newly adopted Parish Mission Statement, written by and approved by the Parish Council just this past summer. These words of identification of our parish mission have been chosen as the tag line for our 2018 Stewardship Campaign. Unlike other campaigns of recent memory, the seminary campaign, Beyond Sunday, and the annual ACA, the objective of this campaign is to **Increase Offertory collections** for our parish. **Providential Care & Enduring Love** begins this weekend, October 20 & 21, 2018.

This weekend I will be preaching at all of the Masses (including 5:30 pm Sunday). I will be speaking about the importance of each parish from time to time to think carefully and pray earnestly about the need for sacrificial giving in the weekly Offertory collection. These are the financial resources that you make available by weekly generosity so that we might continue our mission and our ministries as a parish.

Over the past few weeks we have published a Financial Statement for the parish for the fiscal year beginning July 1, 2017 and ending June 30, 2018. We are blessed by many resources and much generosity. We have not only been able to meet expected and budgeted expenses, but we also have been able to handle several unexpected expenses related to the aging of our parish campus, repairs to roofs, windows, HVAC systems, and other infrastructure demands. Thankfully we have been able to meet these needs, and yet, a sizable amount of the funds on deposit have been depleted. This is, in part, due to some of these unexpected and unbudgeted needs and a loss of some givers who are deceased or no longer live in the parish. For over a year the Finance Council has been advising that we enter into a campaign that is intended to revisit the stewardship commitment of parishioners and invite them once again to pray and discern the financial needs of the parish.

I will speak on this stewardship today and you can expect to receive a mailing from me that should arrive tomorrow (Monday, October 22). This will include a further invitation to pray about your personal participation in **Providential Care & Enduring Love**. This mailing will include a pledge card in anticipation for the Pledge Sunday which will take place next weekend, October 27 & 28.

LOOKING AHEAD TO NOVEMBER 1 AND 2

Again this year the Solemnity of all Saints, which falls on November 1, will be observed as a **Holyday of Obligation**. The Masses will be at 8 am and 7 pm on Thursday, November 1. Friday, November 2 is **All Souls Day**, a unique liturgical day when we pray for those who have died. Mass will be, Friday morning, November 2 at 7:30 am and the annual Mass of Remembrance on Friday evening at 7 pm. I hope you will join us in remembering the Faithful Departed.

LITANY OF SAINTS

Tomorrow, October 22, is the feast of Saint John Paul II. This past July, two of our neighboring parishes, one a partner in Holy Cross Academy, St. Dominic Savio and St. George were suppressed as parishes, in favor of the establishment of the newest parish of the archdiocese, St. John Paul II. Most of us remember him, the charismatic Polish bishop who became pope at the young age of 58 and served as pope for 27 years. Born in 1920 he suffered persecution when Soviet Russia occupied Poland and oppressed the Church. He was the youngest bishop attending Vatican Council II and was instrumental in authoring the Constitution of the Church in the Modern World. A world traveler who appealed to the youth, wrote and taught, used modern media effective for the evangelization of the world; he is remembered for his vitality in his youth and fragility in advanced age. He died in 2005 and was canonized along with St. John XXIII in 2014. Happy feast day to our newest parish! Saint John Paul II, pray for us!

Providential Care and Enduring Love

This week you will receive a brochure detailing the Increased Offertory Program our parish will be participating in over the next few weeks. This informative brochure is intended to communicate how we, as a parish, want to advance our mission and how we are serving God's people in our community. Commitment Sunday for this program is Sunday, October 28. We encourage all parishioners to spend time in prayer and discussion with your family reflecting on how you are able to help us. We look forward to seeing all of our parishioners at Mass next weekend for this very important Commitment Sunday. If you have any questions regarding the Increased Offertory Program, please feel free to contact the parish office.

Breathing Techniques for Stress Relief

Take a deep breath in. Now let it out. You may notice a difference in how you feel already. Your breath is a powerful tool to ease stress and make you feel less anxious. Some simple breathing exercises can make a big difference if you make them part of your regular routine. Many take only a few minutes. When you have more time you can do them for 10 minutes or more to get even greater benefits.

Deep Breathing: Most people take short, shallow breaths into their chest. This can make you feel anxious and zap your energy. With this technique, you'll learn how to take big-breathes, all the way into your belly.

Get comfortable. You can lie on your back in bed or on the floor with a pillow under your head and knees. Or you can sit in a chair with your shoulders, head, and neck supported against the back of the chair.

Breathe in through your nose. Let your belly fill with air. Breathe out through your nose.

Place one hand on your belly. Place the other hand on your chest. As you breathe in, feel your belly rise. As you breathe out, feel your belly lower. The hand on your belly should move more than the one on your chest.

Take three more full, deep breathes.

Equal Time for Breathing in and Breathing Out: In this exercise, you'll match how long you breathe in with how long you breathe out. Over time, you'll increase the length of these breathes.

Sit comfortably on the floor or in a chair. Breathe in through your nose. As you do it, breathe out through your nose to the count of five.

Repeat several times - once you feel comfortable with breaths that last five counts, increase how long you breathe in and breathe out. You can work up to breaths that last up to 10 counts.

Who should attend a healing Mass? Anyone with a serious affliction of body, mind or spirit may receive the sacrament of anointing. Some examples are those afflicted with diabetes, high blood pressure, depression or any other conditions which may become life threatening.
