FORTY-FIVE YEARS AND COUNTING

This weekend observes a double anniversary for both Father Bauer and me. On May 21, 1976 (46 years ago) we were both ordained to the transitional diaconate and one year later, May 21, 1977 (45 years ago), His Eminence John Joseph Cardinal Carberry ordained us to the priesthood for service in the Archdiocese of St. Louis. Speaking for myself, I realized on that day that I could not have imagined the opportunities of this responsibility. Also, today, May 22, we mark the anniversaries of our First Masses at Holy Family parish and St. Ferdinand parish respectively. We have each seen many parishes, engaged with people at the best times and worst times of their lives. We have been sustained the by abundant graces of Holy Orders which, though celebrated one to each rank of orders, provide to the Church and to the individual priest (or deacon) the spiritual strength and sustenance necessary to bring Christ to others. Even when some assignments tested and strained our abilities, each community we has served have been a gift in a special way. I am acutely aware that now as we stand at the threshold of the All Things New initiative, many things will be changing both here and throughout the Archdiocese, I am grateful to be here and to be your pastor for as long as the Lord will permit. Each day at the altar I am profoundly aware of how blessed these past 45 years have been. I am amazed at the many wonderful people who have entered my life, and I, theirs. Many have remained in my life, some have gone their ways, hopefully they will realize the great gift of their Catholic faith that they have encountered in Christ and through the ministry of his priesthood. Thank you for the opportunity to have served you these past six years. Perhaps we will be able to enjoy a few more together.

ANNUAL CATHOLIC APPEAL

We are nearing the end of May and the ACA campaign is winding down to its completion. Thanks to the many of you who have already made a pledge to the campaign this year. For those who have not yet done so, please make your pledge and return the pledge card to the parish office as soon as possible. Within the next two weeks I will publish our response as a parish. And, s thank you for your generosity.

PROVIDENCE FEST 2022

We are still looking for parishioners to step forward to chair the annual Providence Fest scheduled this year for Saturday, October 8, 2022. If interested, please contact the parish office as soon as possible.

THE END OF THE SCHOOL YEAR

On Wednesday, May 25 the children of Holy Cross Academy will complete their school year. They are smiling; the parents not so much so! Children and parents, enjoy the summer break and all the fun things that you will experience. Please stay close to Christ and to our parish during these months and we look forward to your return in August. Happy Summer!

LITANY OF SAINTS

This week we invoke the saints to sustain us in prayer for our needs and the needs of our parish and archdiocese. We pray along with St. Bede the Venerable, Pope St. Gregory VII, St. Mary Magdalen de Pazzi, St. Augustine of Canterbury, and Pope St. Paul VI. Saints of God, pray for us!

Repository for worn U.S. flags

With the help of other troop members, John Vollmann created a box where parish members can deposit their worn and used American flags. It was designed to match the color of the church pews and also to be as respectful as possible to our flag. The flags donated will be picked up by John or fellow troop members and they will be retired with full ceremony. This box is in the back of church.

If you or someone you know in the parish needs some assistance, please call the St. Vincent de Paul extension: 843-3570 ext. 21; leave a clear message with the name and phone number. A member of the St. Vincent de Paul Society will return the call. This is a confidential extension. Please use your **GOLD** envelope to help replenish funds.

STEADFAST IN FAITH • FORWARD IN HOPE

All Things New: Steadfast in Faith - Forward in Hope Prayer

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News. Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things. Help us to be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you. Commissioned by your Son and empowered by the Spirit to "Go and Make Disciples of all Nations," strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we may touch, so that individual hearts and all things might be made new. Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis. **Through Christ Our Lord. Amen.**

STEWARDSHIP

"...Do not let your hearts be troubled or afraid." (John 12:27)

Our limited human understanding cannot begin to understand the immense power of God. Instead of trusting in God, we often think we can control every outcome. Do you want to make God laugh? Tell Him your plans. The next time worry, anxiety or fear creeps in, thank God for all He has given you and trust that He has a better plan for you. Make God your first choice and not your last resort.

Pollen

To a tree or a flowering plant, pollen is necessary for life. But to millions of Americans, it is a source of seasonal misery.

Pollen, a fine to coarse powdery substance, is created by certain plants as part of their reproduction process. It can appear from trees in the spring, grasses in the summer, and weeds in the fall.

Pollen in the air can trigger sneezing, congestion, watery eyes, and other cold-like symptoms. Seasonal allergies, also known as allergic rhinitis or hay fever, may affect nearly one in six Americans.

Research suggests that weather changes can affect allergy symptoms. Extreme weather events, such as heat waves and thunderstorms, have been associated with outbreaks of allergic asthma, especially in patients suffering from pollen allergy.

FDA-approved allergy treatments are available for children and adults. Common antihistamines and nasal steroid sprays can reduce hay fever symptoms. Scientists are also trying to design nasal filters that can screen out pollen without getting in the way of natural breathing.

The Changing Climate:

In recent years, studies have explored the effects of a changing climate on the production of pollen. Here are the results of the studies:

Higher pollen counts---Changes in climate may result in higher pollen counts. The annual average of daily airborne pollen amounts increased 46% between 1994 and 2010.

Longer pollen season---A warming climate lengthened the pollen season by as much as 13-17 days in the northern United States between 1995 and 2009.

More hay fever---Nationally representative data from the National Health Interview Survey indicated that exposure to extreme heat events is associated with increased prevalence of hay fever in U.S. adults.

Increased health care usage---Higher pollen counts are related to allergy and asthma symptoms, as measured by over-the-counter allergy medication use and emergency department and physician office visit for allergic disease.

Brace yourselves, allergy sufferers, new research in 2021 shows that the pollen season is going to get a lot longer and more intense with climate change. The latest studies find the U.S. will face up to a 200 percent increase in total pollen this century if the world continues producing carbon-dioxide emissions from vehicles, power plants, and other sources at a higher rate. ***Under this scenario, the spring pollen season will generally start up to 40 days earlier and last up to 19 days longer than it does in 2022***

Please join us in helping make miracles possible by making a gift during **Glennon Sunday weekend, June 4-5**, online at <https://glennonsunday.org/faith>. On behalf of our patients and families, may God bless you for providing hope, healing, faith and compassion to every child who walks through the doors at SSM Health Cardinal Glennon.

To donate online, **SCAN HERE**

Or use the Glennon Sunday envelope provided.

STARTING JUNE 2022 PRODUCE DONATIONS NEEDED!

Produce donations of fresh fruits and vegetables from home gardens, stores, and farmer's markets are being accepted for the Affton Christian Food Pantry **beginning June 4/5 and every weekend throughout the summer and fall.** Please place donations in the produce crate marked and located outside of Church. Thank you from the OLP Justice Seekers!

Special thanks to OLP parishioner and HCA parent Travis Abeln, owner of Green Operations Hardscapes & More, for his hard work in the Providence Garden! In an effort to keep the parking lot clear of debris that washes out of the garden after rainfall, Mr. Abeln generously donated his expertise, time, and materials to redesign the space and resolve the issue. This transformation also eliminates the need to replace wooden beds in a few years. The OLP parish and HCA community are grateful for this beautifully transformed growing space. Thank you Mr. Abeln!

Thanks to all who purchased plants from the 2nd annual Mother's Day garden sale! We are so proud of the kids' efforts in growing the plants from seed. All of the proceeds go into funds for the Providence Garden and St. Michael's Garden to help maintain the gardens throughout the year and provide materials for K-5 students to grow plants.

It is time to update our records with any changes, additions, or deletions that may have occurred over the past year.
