Third Sunday of Easter

THIRD SUNDAY OF EASTER

The Fifty Days continue to celebrate the presence among us of the Risen Christ. Today's Gospel demonstrates the impact of the Resurrection of the Apostles themselves and the whole community of believers. The Apostles must deepen their personal commitment to the Risen Lord which for that requires the total gift of self to the mission of Christ. They are coming to realize that this commitment imitates the obedience of Christ to the Father in his Paschal Mystery. During the Fifty Days of Easter, we too reflect upon the impact to the power of the Risen Life of Christ to guide and influence us as disciples of the Lord.

THE CELEBRATION OF FIRST HOLY COMMUNION

Today, May 1, 2022, at 1:30 pm this afternoon, it will be my privilege to administer the First Reception of the Eucharist to thirty of the children of our parish. These children either attend Holy Cross Academy (as second graders they attend the St. Michael the Archangel campus) or they attend our Parish School of Religion. This is the perfect opportunity to remind you all that this celebration is the continuation of their Christian Initiation, having celebrated Baptism some years ago, in most cases, and anticipation to fullness of Christian Initiation later in the Sacrament of Confirmation. This is one of the most important responsibilities of a parish pastor and one that most pastors take great delight in celebrating with our candidates and their families. You will notice the "First Communion Banners" displayed in the sanctuary to acknowledge this great day. Congratulations to the children and to their parents. May the Eucharistic Lord fill you with the nourishing Presence of the Risen Lord.

JUST A QUICK ACA REMINDER

We are moving into the second week of ACA – the Annual Catholic Appeal. You have received your pledge card in a letter from me. I ask that you pray about your contribution to the campaign and make your pledge in a timely fashion over the next week or two. Please drop your pledge card in the collection basket in church, or through the mail slot of the rectory or mail it directly to the parish office. Thank you for your generosity.

LITANY OF SAINTS

During this third week of Easter, we join with the saints in prayer and petition for the needs our families, our parish, and our world. We pray this week through the intercession of St. Joseph the Worker, St. Athanasius, the Apostles Philip and James. Saints of God, pray for us!

Happy Easter!
Father Rick Schilli

Thanks to all parishioners who cast their vote in last weekend's Cub Scout pinewood derby! Among the many creative and well-crafted designs, the winner of the Parishioner Pick was "The Lorax" designed by scout **Jake Parks**! During the derby event, scouts were honored to welcome special guests from our community - the mayor of Crestwood, the campus principals from Holy Cross Academy, and pastor Fr. Schilli - who also cast votes for their favorite designs. Thank you for showing your support of these young scouts.

CATHOLIC EDUCATION SURVEY (ONLINE ONLY)

THIS SURVEY ENDS MONDAY, MAY 2.

The **Catholic education survey** will provide an opportunity for all individuals within the Archdiocese of St. Louis to provide feedback about Catholic Education, both our Catholic Schools and Parish-based Religious Education programs.

The survey is intended to get a snapshot of attitudes, beliefs, and decision-making criteria from various stakeholders about Catholic Education in the Archdiocese. This critical baseline information will be used in considering the future of Catholic education. As part of the *All Things New* strategic pastoral planning initiative, you are encouraged to share your input about Catholic Education in the Archdiocese of St. Louis. The survey is open to all current/former/prospective parents, alumni, faculty, staff, administrators, donors, volunteers, and community members of both Catholic Schools and Parish-based Religious Education programs.

The survey is available April 5 through May 2 and can be accessed here:

[All Things New Education Survey \(surveymonkey.com\)](https://surveymonkey.com)

We should soon be posting results of the OLP Disciple Maker Index.

Please watch this space for more information.

ALL THINGS NEW
STEADFAST IN FAITH • FORWARD IN HOPE

All Things New: Steadfast in Faith - Forward in Hope Prayer

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News. Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things. Help us to be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you. Commissioned by your Son and empowered by the Spirit to "Go and Make Disciples of all Nations," strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we may touch, so that individual hearts and all things might be made new. Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis. **Through Christ Our Lord. Amen.**

STEWARDSHIP

"...Peter was distressed that Jesus had said to him a third time, 'Do you love me?' and he said to him, 'Lord, you know everything; you know that I love you.' Jesus said to him, 'Feed my sheep.'" (JOHN 21:17)

How often do you actually say the words "I love you" to Jesus, to family members, or to friends? We are made to be in relationship with God and each other. Sincerely telling someone that you love them is the best gift you can give them because it comes from your heart. You are giving them the gift of yourself. We all crave love. Tell someone you love them every day.

THIRD SUNDAY OF EASTER

Jesus appears to seven of his disciples, among them Peter who proclaims his unfailing love for the Lord. Jesus commissions him to feed the sheep. Later, in the face of persecution, Peter and the apostles proclaim the name of Jesus, the Lamb who was slain and who rescues us from death.

What Your Dentist Knows About Your Health From Web MD

During your routine check-up, your dentist can uncover important clues about your overall health. Any disease related to the mouth has an impact elsewhere in the body. Here are some of the most common conditions dentists look for that can affect your oral health.

Diabetes: People with type 1 and type 2 diabetes are more likely to develop gum disease. That's because they may have a decreased ability to fight bacterial infections, including those that occur in the mouth. Serious gum disease can make it more difficult for people with diabetes to control their blood sugar. At times, dentists may be the first to discover a suspected diagnosis of diabetes and refer the patient to their primary care doctor for testing.

Oral Cancer: The first sign of oral cancer is often a small red or white spot or sore in the mouth. It can appear on your lips, gums, tongue, cheek lining, or other parts of your mouth. Often the patient doesn't notice it because it starts as a small spot toward the back of the mouth or under the tongue and they don't have any symptoms.

Heart Disease: Researchers are investigating the links between gum disease and cardiovascular disease. One potential link is that inflammation in the mouth increases inflammation in other parts of the body, including arteries. This inflammation may play a role in heart attacks or strokes. By treating gum disease and reducing the inflammation in your mouth, you may be able to lower your risk of stroke or heart attack.

Stress: Your teeth may be worn down or chipped if you've been unconsciously grinding or clenching them. This can eventually cause bone loss that your dentist may detect on your x-rays. To prevent damage to your teeth and keep them apart so your jaw muscles can relax, your dentist can fit you with a custom mouth guard to wear while you sleep.

Premature and Low-Weight Births: Studies suggest that pregnant women with serious gum disease called periodontitis are more likely to deliver a premature baby of low birth weight. The bacteria in the mouth of a woman with gum disease can trigger and increase in a chemical compound and other harmful inflammatory molecules. These chemicals can induce early labor and impair fetal growth.

How you can prevent gum disease: Our mouths are swarming with about 400 species of bacteria, but only 15 of them actually cause gum disease. You can fight them in three ways.

Don't smoke. Smoking increases your risk of gum disease.

Brush twice a day and floss once a day.

See your dentist for regular cleanings.

Join us for the 2nd annual **Mother's Day
Garden Sale on Sunday, May 8th** from
8am-1pm at OLP!

This spring, Holy Cross Academy students at the K-5 campuses grew plants by seed on indoor grow stations (herbs, peppers, tomatoes, cucumbers). Please consider purchasing for your own home gardens here! The money raised goes into funds for the Providence Garden and St. Michael's Garden. We use these funds to help maintain the gardens throughout the year and provide the materials for K-5 classes to grow and plant seedlings.

The OLP parish SVdP will have a **donation truck on the parish grounds on Saturday June 11 and Sunday June 12, 2022.** The schedule for donations is Saturday June 11, from 9AM - 3PM and Sunday June 12 from 9:30AM - 12 Noon. **SVdP will accept clothing, home appliances, small household furniture and furnishings.**
