23rd Sunday in Ordinary Time

From the Desk of Fr. Rick Schilli. . . **TWENTY-THIRD SUNDAY
IN ORDINARY TIME**

Today's gospel from Luke closes with a familiar summary statement: "In the same way, anyone who does not renounce all his possessions cannot be my disciple." My question for you is: what "possession" of yours do you find the most difficult to renounce? A material blessing or possession? A human connection or relationship? A set of parish buildings? All Things New certainly has us all thinking about those possibilities. Perhaps today's Gospel also poses the question: "What do you lose out on by holding back on that possession? During the months until Pentecost 2023 when the Archbishop will announce the outcomes of *All Things New*, there will be much discussion, much refinement of rough draft proposals, and much formation of us individually and as a community of disciples. Our future discipleship will depend upon the quality of our willingness to let go of somethings that are comfortable and familiar so that we can embrace a new way of being Church – a Church of disciples willing and eager to accompany the Lord Jesus in a renewed fellowship in Christ. In these months we must embrace with hope and confidence and grace the opportunity be made new in Christ.

REMINDER: MASS ON LABOR DAY AT 9:00AM

Monday, September 5 honors Labor Day as a national holiday. Mass tomorrow morning will be celebrated at 9:00 am rather than at 7:30 am.

HOLY CROSS ACADEMY –TENTH ANNIVERSARY

For those of you who were parishioners a decade ago or more, perhaps you remember the difficult decisions and conversations which led to the founding of Holy Cross Academy and its (now) five parish partnership. This academic year marks its tenth anniversary. (Perhaps this should offer us encouragement as we face All Things New!) On Wednesday, September 14, 2022, we will have the first of events celebrating the triumph of the Holy Cross (which is the feast we celebrate that day) and the successes of the last ten years. The regular school Mass here at OLP that day will be an All Academy Mass with the children from all four campuses attending here at the OLP campus. Although there will be near 400 present, there is still some room for others. You are welcome to join us for the **8:00 am Mass on Wednesday, September 14**, the Feast of the Exultation of the Holy Cross.

LITANY OF SAINTS

During this first week of September we invoke the intercession of St. Gregory the Great, St. Teresa of Calcutta, and St. Peter Claver to join us in praying for our needs and the needs of the entire Church. Saints of God, pray for us!

Father Rick Schilli

ALL THINGS NEW

From the Desk of Father Schilli. . .**ALL THINGS NEW**

As you are aware, the priests of the Archdiocese met on Friday August 19 to take a first look at a rough draft proposal of how parishes might be restructured over the next couple of years. What we did **not hear** is 1) specific locations and building proposed for use, 2) specific allocation of priests, 3) anything yet to be proposed about locations of Catholic schools. All those issues are still being discussed. What I can tell you is that in each of the 15 planning areas several options are being considered for further examination and debate. **NO DECISIONS HAVE BEEN MADE YET!** The first feedback from priests seems to suggest many adjustments and alternatives. That is the reason why we priests are not yet prepared to speak publicly to any specific changes. So far, there are good proposals and some not so good – all depending on the point of view of particular priests. The Archdiocesan Pastoral council and the Strategic Planning Office, and its various subcommittees are all at work deliberating. In late October through late November, these proposals will be revealed at parish meetings (two per parish) on dates yet to be announced. If you have anything you would like to offer to the Office of Strategic Planning, you are free to email them at allthingsnew.archstl.org. Realize that feedback ought to be constructive, hopeful, and not self-serving. The Office already knows no one wants their parish to go away. The research and data gathering that has already been done is extensive and the Office is most certainly aware of most contingencies. My encouragement to you is to pray that the **final outcomes** to be announced at Pentecost next year will serve the Church well into the future, join us in monthly Eucharistic Adoration and participate positively in the conversations to come.

STEWARDSHIP

"Everyone of you who does not renounce all his possessions cannot be my disciple." Luke 14:33

When we first hear this statement, it seems that Jesus is making an unrealistic demand upon us. How can we renounce all of our possessions? We need them to live. However, what we must renounce is the belief that they belong to us. Everything that we have belongs to God alone. All of our resources are entrusted to us not only for our own use, but also so that we can help others. Once we renounce the idea that we possess or are entitled to anything, it is much easier to share the many gifts that God has given us. Then we truly are His Disciples.

How to Accurately Measure Blood Pressure at Home From the American Heart Association

How do I select a home blood pressure monitor?

High blood pressure is one of the top risk factors for heart attack and stroke. The readings you get at home are really important because they reflect the pressure your heart is facing on a day-to-day basis.

A list of home monitors, the first in the United States and commissioned to meet the American Medical Association's criteria, is available at validateBP.org. The Advancement of Medical Instrumentation, the British Hypertension Society and the European Society of Hypertension also certify devices.

The device should measure blood pressure on the upper arm, which produces a more reliable result than those that measure from the wrist. Many devices are automated. Simply put on the cuff and press a button. The results are displayed digitally. Some will store readings, calculate an average blood pressure over time, or even transmit them to your doctor.

When blood pressure monitors cannot transmit readings to a patient's doctor, the next best thing is to have a device that stores the blood pressure readings. Your health care provider should check the device about once a year to ensure its accuracy.

How do I get the most accurate reading? Do not smoke, drink caffeinated beverages or exercise within 30 minutes before measuring your blood pressure. It's important to use a cuff that fits your arm. Cuffs that are too small can artificially raise your blood pressure reading.

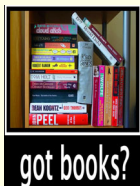

With the cuff on your bare arm, sit in an upright position with back supported, feet flat on the floor and your arm supported at heart level. Make sure the bottom of the cuff is directly above the bend of the elbow. Relax for about five minutes before taking a measurement. Resist the urge to talk or look at a cellphone. Also, make sure you bladder is empty, as a full one can temporarily raise blood pressure.

The device will give you a systolic number (upper) ---the pressure against your artery walls when you heart beats---and a diastolic number (lower)---the pressure between beats.

If the top number is 130 or greater, or the bottom number is 80 or greater, talk with your doctor about overall risk for heart attack and stroke. If it's very high, 180 or higher, you should call your doctor right away. The longer your blood pressure is high, the more you are at risk for heart attack and stroke.

Some medications, including over-the-counter pain relievers called NSAIDS, such as Advil and Motrin, and common decongestants, can elevate blood pressure. Alcohol, caffeine, smoking, salt intake and stress can, too.

Blood pressure fluctuates a lot, so a patient shouldn't worry about one high reading. If the average over a full week is high, there's a reason to talk to your doctor. If not, people should continue practicing heart-healthy behaviors and check their blood pressure in the future.

Book Fair collections are underway with a collection box in the vestibule through Sunday, October 2, 2022.

PROVIDENCEFEST 2022

ProvidenceFest will be Saturday, October 8 from 2pm-8pm. There will be a raffle again this year and OLP Men's Club will provide barbecue for dinner.

Our most **immediate need** is for two volunteers to be **game booth leads**. Previous leads would be willing to assist and guide you in organizing and setting up the booths. If you are interested or know someone who would be great for this role, please contact Gina Mueth or Sarah Kheriaty. As the event gets closer we will be looking for lots of volunteers to help set up and work the game booths, beer tent, food tent and book fair. We will also be looking for donations of baked goods and plants for the cake walk and plant booth.

There will be a **ProvidenceFest planning meeting on Thursday, Sept. 1 at 8pm in the Providence Room**. Anyone interested in helping out or being part of the committee is invited and welcome to join us. Thanks in advance for helping to make this event a success!

Join Cub Scouts! Come to Sign-Up Night Thursday, September 8th from 6-9pm at HCA-Our Lady of Providence Campus (8874 Pardee Rd. 63123)

All boys and girls in grades K-5 are invited to join in the fun of Cub Scouts! Pack 914 is a charter of Holy Cross Academy. Any families in the Holy Cross parish communities and surrounding neighborhoods looking for a fun, active, faith-based Cub Scout program are welcome.

About Cub Scouts: The Cub Scout program helps kids develop character, faith, and leadership skills with particular emphasis on outdoor programs. Kids learn new skills through hands-on, interactive activities with their peers and families through fun adventures such as hiking, first aid, bike safety, fishing, STEM projects, sports, and more. The pack (all K-5 scouts) meets once a month. Individual dens (grade levels) meet at least once a month.

About Pack 914: In June 2022, the Cub Scout programs that were originally chartered by Holy Cross parishes officially combined into a single unit, Pack 914, chartered by Holy Cross Academy. The original parish charters were Our Lady of Providence Pack 645, St. John Paul II Pack 725, and St. Michael the Archangel Pack 336. The number 914 serves as a faith reminder for scouts in the Holy Cross community (9/14 = September 14 = The Feast of the Exaltation of the Holy Cross).
